Europe Session: Cassia Hall

Day 2- 8 September 2026

1145 - 1245 Hrs Europe- India Space Connect: Building Partnerships for the NewSpace Economy

Europe and India share a strong and growing partnership in the space sector, driven by technological innovation, commercial opportunities, and a shared vision for sustainable space development. With Europe's advanced space capabilities and India's rapidly expanding NewSpace ecosystem, there is significant potential for collaboration across satellites, launch services, Earth observation, communications, space exploration, and emerging technologies. Strengthening industry-to-industry partnerships can unlock new markets, accelerate innovation, and build a more resilient global space economy. This will explore opportunities for collaboration, innovation, technology partnerships, investment, and market access, shaping a more connected and competitive global space ecosystem.
